**APPLICATION TO
INTERVENE**

Federal Executive Agencies (FEA), by and through the undersigned attorney,
representing all Federal customers of Arizona Public Service Company, moves to
intervene in the above-captioned matter. This application is based upon the following:

1). Several FEA purchase electric power from Arizona Public Service Company for a
variety of federal facilities located in the territorial service area of Arizona Public Service
Company. Electric power is a necessary component of providing services as required by
the various federal agencies, and utility costs are paid from taxpayer monies allocated to
the various federal agencies. For these reasons, FEA will be directly and substantially
affected by the decision in this proceeding.

2). The Department of Defense has been delegated authority by the U.S. General
Services Administration pursuant to section 205 (d) of the Federal Property and
Administrative Services Act of 1949, as amended (40 U.S.C. 486(d)) to represent
consumer interests of the executive agencies of the Federal Government. The
Department of Defense has assigned responsibility for this representation to the Air Force
Utility Law Field Support Center for Arizona Public Service Company's service area.

1 3). Granting FEA intervention will not unduly broaden the issues presented by the
2 Application in this matter, and therefore, FEA is entitled to intervention pursuant to
3 A.A.C. R14-3-105.
4

5 WHEREFORE, FEA respectfully requests that it be granted intervention in the above-
6 referenced matter.
